## Notes for Guidance<sup>1</sup>

### GENERAL INFORMATION

All enquiries and applications for exchange programmes must be made through the International Coordinator in your home institution.

To facilitate general procedures, please use e-mail until the point of mutual confirmation/signatures.

- **Application form and deadline**

Please complete the form as fully and as clearly as possible. The International Coordinator will inform you about the application deadline for your preferred host institution(s).

- **Other forms:**

*Some institutions may require extra documentation with your application; you may for example be asked to complete a second application form.*

### COMPLETING THIS APPLICATION FORM

Please write in BLOCK LETTERS – this will help the host institution to avoid mistakes when they process your form. You should complete each section.

### STUDY DETAILS

- **Principal study subject**

**Only state your principal study discipline, in which you wish to be auditioned.** If you wish to audition for more than one discipline, you should complete a separate application for each one.

- **Transcript including full details of previous and current higher education study**

This has to be issued by the home institution, not to be mistaken with the final 'transcript of records' which will be issued by the host institution at the end of the exchange period.

### LANGUAGE COMPETENCE

You will normally be expected to have some proficiency in the language used for tuition in the host institution and you will gain most benefit from your exchange if you have some proficiency in the country's native language.
